

Candidate

Anthony Egipciaco Jr

29th District State Representative

On March 7th, 2024, Representative (D) Bill Bush voted to pass a permit to purchase. He has BETRAYED the trust of the 29th District, this is not only a VIOLATION of our 2nd amendment rights, but also a VIOLATION of our State Constitution as well. Over the years it has been said that he is moderate and on the side of the people. Well now we know who he really is, he has shown his true colors. How can we trust him anymore? How many other bills will he vote against us? Help me send a clear message to him (Rep. Bill Bush) and all other Democrats that we will not take it anymore! ***It is time for a New Direction!***
