

Candidate

Anthony Egipciaco Jr 29th District State Representative

Vote for Anthony Egipciaco Jr for Education Reform and Accountability

Democrats have controlled the Education system since **2009!** It is time for a ***New Direction!***

Problems with Delaware Education

Delaware has the 4th worst overall test scores (National Center for Education Statistics)

Delaware is the 10th highest state per student spending (\$17,000)

2023 SAT scores for high school students

- 44% proficient in reading
- 23% proficient in math

2023 smarter balance grades 3-8

- 40% proficient in ELA (English Language Arts)
- 32% proficient in math

Delaware has 17 schools with single digit proficiency

Solutions

Invite parents back into to the schools

Remove electronic devices from K-6 Grades (Laptops, Notebooks and iPads)

Back to the basic education (English, Math, History, Science and Cursive)

Civics and Finance classes for Grades 7 - 12

Bring discipline to the school system

School choice (Public, Charter, Private and Homeschool)

Offer reciprocity to teachers from outside the State
